

Freedom of Information request: Reference number FOI2025/00122

Date of request: 11th February

Request:

Please can we have details of all call outs and or fires at 17 St. Luke's Avenue since January 2023

Response:

In response to the above, we have concluded that, in this instance, the information requested contains third party personal data. We consider this information to be exempt under [section 40\(2\) of the Freedom of Information Act 2000](#).

Individuals and organisations affected by an incident that was attended by London Fire Brigade since 2001 can request a 'fire report' which, for fires that involve buildings, vehicles, or those that cause injuries, provides more details about the incident and the cause of the fire where known.

Fire reports are not available under the freedom of information act (FOIA) as they are considered a chargeable service and, as such, will incur a fee. As a result they are exempt via [Section 21 of the FOIA - Information accessible to applicant by other means](#). Regrettably this means we cannot provide you with a copy of the fire report (or the information held within it) without payment.

Further information about how to obtain a LFB incident report is published on our website and can be accessed through the following link: <https://www.london-fire.gov.uk/about-us/services-and-facilities/services-we-offer/incident-reports/>

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us/>
