

**Freedom of Information request:** Reference number FOI2025/00278

**Date of request:** 23rd March

**Request:**

*Hi,*

*I would like to know the number of mobilisations to calls and mobilisations to standbys for each appliance in the London Fire brigade for 01/01/2023 to 31/12/2024 and from 01/01/2024 to 31/12/2024.*

*Please group the data by station*

*E.g.*

*Euston Fire station*

*Pump 1*

*ALP 1*

**Response:**

The LFB publish information about all fire engine mobilisations as part of our Open data on the [London Data Store](#)

You may find this data of interest in relation to your request. This dataset is updated monthly. Information is provided for the appliance mobilised, where it was deployed from, and the times recorded for arriving at the incident.

You can also refer to [LFB incident records](#). This data about the incidents attended by the London Fire Brigade includes the fire station area where the incident happened; the fire station area is currently used for mobilising and other administrative purposes.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/privacy/>
