Request:

We have received a Councillor's enquiry about the above premises where a fire took place on or about 12 July see Walworth fire sees nearby houses evacuated as blaze rips through motorcycle shop - 64A Camberwell Road, London, SE5 0E Scooter Planet

I understand local residents were extremely concerned about the storage of e-bikes at the premises prior to the fire and the behaviour of the owner after the fire in relation to fire damaged stock.

We were not aware of the incident other than news reports so I wondered if you can share any details of any investigation underway or follow up enforcement action in relation to the premises at all if any.

We will not share any data etc without permission
