

Freedom of Information request: Reference number FOI2026/00579

Date of request: 20th May

Request:

Please provide the following information relating to Ignatius Sancho Road estate (including Elizabeth Anderson House, Rosa Billingham House, Ada Lovelace House and Rosalind Franklin House, and any of the new developments on the estate) for the period November 2024 to May 2026:

1. The total number of London Fire Brigade attendances to the estate.
2. For each attendance, please provide:
 - date;
 - incident category/type;
 - brief incident description.
3. Copies of any referrals, reports, notifications, recommendations, concerns, or escalations made to the Royal Borough of Greenwich following those attendances.
4. Copies of any correspondence, inspection records, notes, reports or photographs relating to the placement of the fire blanket at Rosa Billingham House, including any records identifying concerns regarding its location or impact on escape routes.

Response:

I refer to your request for information, that we received on 20 May 2026, and has been processed as a Freedom of Information request.

Questions 1 and 2.

Details of incidents attended by the LFB are published via the London Datastore and can be accessed via the following link: <https://data.london.gov.uk/dataset/london-fire-brigade-incident-records>

Attached is a list of incidents attended at the Ignatius Sancho Road estate between November 2024 and May 2026.

- Special Services – Non-related fires e.g. Water Leaks
- AFA – False Alarms
- HFSV – Home Fire Safety Visit
- Station Visit – Visit to property e.g. Planned Visual Audits/Outside Duty/Potential inspection.

Details of attendance times and any delay code descriptions recorded at specific incidents are also published via the London Datastore and can be accessed via the following link:

<https://data.london.gov.uk/dataset/london-fire-brigade-mobilisation-records-24r65>

Question 3.

Incident reports are not available under the Freedom of Information Act 2000 (FOIA). Eligible individuals can request an incident report from LFB's Incident Report team, and, in these circumstances, the information is exempt from disclosure Section 21 of the FOIA — information accessible to the applicant by other means.

Details of who can request an incident report, and how to do so if you are eligible, can be found on our website using the following link: <https://www.london-fire.gov.uk/about-us/services-and-facilities/services-we-offer/incident-reports/>

Any correspondence between the LFB and the Royal Borough of Greenwich arising from any attendance like a Home Fire Safety Visits including any referrals, notifications, or escalations would contain the personal information of third parties. Such information is exempt from disclosure under Section 40(2) of the FOIA, as its release would contravene the data protection principles set out in the UK General Data Protection Regulation. We are therefore unable to provide copies of any such correspondence

Question 4.

Following a search of our records, we can confirm that we do not hold any information relating to the placement of a fire blanket at Rosa Billingham House, Elizabeth Anderson House, Ada Lovelace House, or Rosalind Franklin House, including any records identifying concerns regarding its location or impact on escape routes.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us/>
