

**Freedom of Information request:** Reference number FOI2025/00658

**Date of request:** 25th June

**Request:**

Sunday, 22nd June at approximately 10:30 pm provided me with your email address. I have attached a photo from the incident, along with historical photos of previous fire remains.

Over the past two months, there have been several fires in our area, which the fire services have clearly identified and confirmed as arson attacks. The specific area in question is the residential lane behind Lincoln Avenue/Gorseway RM7, towards the River Rom.

To escalate this issue to our council, my neighbours and I require the fire services reference numbers for all fires attended at this location over the past three months.

**Response:**

In response, this information is exempt from disclosure to you under [section 21 of the FOIA, Information accessible to applicant by other means](#).

As we routinely get asked for information about the number of incidents attended by the Brigade, we have published this data on the [London Datastore](#) to assist those who require it.

You can narrow down the incident by filtering the columns to your liking.

The details of every incident which the LFB attended since 1 January 2009. Information is provided for when and where the incident happened and the type of incident. <https://data.london.gov.uk/dataset/london-fire-brigade-incident-records>

Further to your request, please find the information requested at the London Datastore. The following link can provide mobilisation data for each station for the year requested: <https://data.london.gov.uk/dataset/london-fire-brigade-mobilisation-records>.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us/>
