

Freedom of Information request: Reference number FOI2025/00560

Date of request: 28th May

Request:

I would like to make a request under the Freedom of Information act for all spend transactions over £500 for the period January to April 2025.

Please provide the data in a machine-readable format (preferably csv). As a minimum, please make sure to include the date, value, and recipient of each transaction. Please also provide details on the procurement category/description of each transaction if you have it.

Alternatively, if the information is available on your website please provide a link.

Response:

We are unable to provide the information at this time as it is exempt under section 22 Information is intended for future publication - <https://www.legislation.gov.uk/ukpga/2000/36/section/22>

The Local Government Transparency Code 2015 requires the LFB to publish details of contracts, commissioned activity (including external consultants), purchase order, framework agreement and any other legally enforceable agreement with a value that exceeds £5,000. The LFB publishes this information each quarter on the London Data Store. That information is available here <https://data.london.gov.uk/dataset/lfepa-procurement-information---current-contracts>.

We also publish the details of any purchase orders of between £5,000 and £10,000, and all payments of £250 or more. These are also on the London Datastore:

- <https://data.london.gov.uk/dataset/lfepa-procurement-information-purchase-order-f5-000-to-f10-00>
- <https://data.london.gov.uk/publisher/lfb?q=lfb%20payments>

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/privacy/>
