

Freedom of Information request: Reference number FOI2026/01341

Date of request: 6th July 2026

Request:

To whom it may concern,

We are looking to undertake a search of relevant information pertaining to any historical fires at the below site as part of a Geoenvironmental desk study we are conducting.

Site Address: CREDON HOUSE, LONDON, SOUTHWARK, SE16 3DA

Grid Reference: 534906 178095

Please find below the site location plan for the above enquiry. We would be obliged if you could supply the following information:

- Details of any fires reported at the address, including the following:
 - o Dates of the fire(s)
 - o Reference numbers associated with the incidents;
 - o Nature and scale of the fire(s); and,
 - o Cause of the fire(s)
- Details of the fire fighting fluids or materials used, including:
 - o Whether PFAS containing fire fighting foams were used (please note that this is an important consideration for our desk study);
 - o Whether just water was used;
 - o The volumes used to put out the fires
 - o Details of any reported run-off into drains or the ground etc

Response:

Further to your request, a search was completed for Credon House, London, SE16 3DA. The date parameters searched were 1st January 2016 to 29th October 2026. There are no records of fires at these premises.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us/>
