

Freedom of Information request: Reference number FOI2026/00478

Date of request: 27th April

Request:

Can you please list for each 1 bay/ 1 appliance stations that have had building works under the privacy for all project to date the number of private fully enclosed showers at each station.

Response:

I am writing in response to your request for information, received on 27 April 2026, which has been processed under the Freedom of Information Act.

You requested the number of single-appliance stations, along with the number of universal-use showers available at each station. For clarity, the figures provided do not include the dedicated male and female shower facilities, as each station is required to have one of each as standard. The confirmed information is set out in the table below
