

Freedom of Information request: Reference number FOI2026/01072

Date of request: 29th August 2026

Request:

I would like to make a Freedom of Information request concerning LFB attendances at:

Meridian Heights

Please provide, for the period 1 January 2016 to 29 August 2026, the following information for incidents recorded at this address:

- LFB incident number/reference
- Date of incident
- Time of incident
- Incident classification/type
- Whether the incident was recorded as a fire, false alarm or special service
- Property/building classification recorded for the incident
- Whether appliances attended
- Number of appliances attending, where recorded
- Any publicly disclosable information concerning the nature/cause of the incident
- Whether the incident resulted in any enforcement, fire-safety investigation or other follow-up action, where this information is disclosable

I would also be grateful if you could provide the equivalent information for any incidents recorded at the same building under an alternative address or postcode designation, if LFB's records use a different address for the building.

I am particularly interested in identifying whether there has been a pattern of repeated fires, suspected fires or false alarms at this building.

I am not requesting personal data about individual residents. Please redact any personal information where necessary rather than withholding the incident-level information in its entirety.

I would also appreciate confirmation of whether the LFB incident on 29 August 2026 has been assigned an incident number and, if so, whether that number can be disclosed.

Response:

Further to your request, please see below a table for Meridien Heights, HA0 4PZ. A search was completed for 1st January 2016 to 29 August 2026. The data below includes the incident on the 29th August 2026.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website:
