**Date of request:** 4<sup>th</sup> March 2025

**Request:**

We are trying to obtain a FRA from our management company. The last one was completed in 2019 and we have been told another one was completed at the beginning of January. We have been chasing this for weeks and we are still waiting. The address is Hemp apartments, 70 Richard Tress Way E3. Any advice on what to do next would be much appreciated.

**Response:**

Further to your request, I can confirm a Fire Audit report was completed on the 9<sup>th</sup> August 2019 for Hemp apartments. The outcome was *Low Risk* and a Notification of Deficiencies (NOD) was issued. LFB's Fire Safety team have checked our records and there are currently no details of a Fire Safety Audit in January 2025. There are no other records for this property regarding further audits taking place. You may submit a freedom of information request a later date.
