

Freedom of Information request: Reference number FOI2026/00343

Date of request: 24th March

Request:

Can I please request the mobilisation figures for each station for 2025, can I request this information is supplied as a 'league table' either showing each station's total number of calls or a breakdown of each type of call they have attended.

This information has been kindly sent to me by your team for a number of years, and if you can do so again, that would be really appreciated.

Can I please ask that you do not deal with my request by referring me to the London Datastore website to interrogate the datasets, as this does not return the information I require.

In closing, I would like to thank you for taking the time and trouble to deal with my enquiry.

Response:
