

Freedom of Information request: Reference number FOI2026/00226

Date of request: 26th February

Request:

Please provide the following information for the period 1 January 2020 to present:

The total number of Safety Event Report Database (SERD) reports submitted.

Of those, the number of SERDs submitted more than 28 days after the date of the incident.

Of those submitted more than 28 days after the incident, the number that resulted in:

- * Informal management action
- * Formal disciplinary action (please specify stage where possible)
- * Demotion
- * Dismissal

Response:

In response to the above, for the period 1 January 2020 to 28 February 2026, **7,024** safety events were recorded.

Of the 7024 safety events reported, **203** (approx. 3%) were recorded more than 28 days after the safety event occurred.

We do not record management action for failing to report safety events in due time.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process, please see the guidance we publish about making a request on our website:
