

**Freedom of Information request:** Reference number FOI2025/00344

**Date of request:** 7th April 2025

**Request:**

I would like to request under the Freedom of Information Act the number of Penalty Charge Notices (PCNs) received by London Fire Brigade from local authorities and TfL (Transport for London).

I would like to know the number of PCNs received by type of vehicle (eg: pump ladder; command units; turntable ladders etc)

I would also like to know the number of PCNs by type (eg: parking tickets; bus lane infringements; yellow box junction infringements)

I would also like to know which local authority or TfL issued the ticket.

I would also like to know the number of tickets which were appealed and whether these appeals were successful.

If I could have this data for the past five financial years, that would be much appreciated.

I would like to receive the data as a CSV / excel file.

**Response:**

Please see below for a response to your request. The data is recorded and collated by calendar year and not financial year.

*The number of Penalty Charge Notices (PCNs) received by London Fire Brigade from local authorities and TfL (Transport for London).*

Row Labels	Count of Issuing Authority Type
Car Parking Partnership	1
City of London Police	5
