

Freedom of Information request: Reference number FOI2025/00018

Date of request: 8th January

Request:

I just wanted to ask what the London Fire Brigade policy for responding to automatic calls from a permanently unoccupied building would be.

Response:

The information is published on our LFB website. Please click on the link below. The information is under "How should an alarm receiving centre respond to an AFA in an unoccupied building?" heading.
