Our Incident Reports team will be in touch about your request (Items 1–13), but you should know that, in most cases we charge for Incident Reports and they are considered exempt from the Freedom of Information provisions as it is "[information accessible by other means](#)" (FOIA Section 21). For more details about our Incident Reports service, please see the information on our website here - <https://www.london-fire.gov.uk/about-us/services-and-facilities/services-we-offer/incident-reports/>

As Incident Reports often contain information that is likely to be personal data, we assess every request to make sure that you are entitled to receive a report and we meet the requirements of the Data Protection Act (DPA). Decisions on eligibility are made on a case by case basis, but are usually limited to the people that are an owner or tenant of damaged property, people injured during an incident, or any organization acting on their behalf.

Further to your request for details of any incidents attended by the London Fire Brigade at, or immediately adjacent to, the rear of Heathrow Logistics Park, Bedfont Road, Feltham, TW14 8EE, between 1 January 2024 and 30 July 2026, please see the table below.

We have dealt with your request under the Freedom of Information Act 2000. For more information about this process please see the guidance we publish about making a request on our website: <https://www.london-fire.gov.uk/about-us/transparency/request-information-from-us/>
